

# ***New Tamaqua YMCA – Now Open!***

To meet Tamaqua's growing community needs, the Board of Directors embarked on a new venture to open a state-of-the-art YMCA in the fall of 2008 located at the Jamesway Plaza. This new YMCA includes a pre-school center, fitness center, youth adventure center, and gymnasium.

## **Preschool Center**

The YMCA is the largest preschool in Schuylkill County and we are committed to serving Tamaqua's youth for generations to come. This new center has two classrooms and a youth development center to give every child a positive environment in which to learn and excel.

## **Youth Gymnasium**

This multi-purpose space is designed for full court basketball, indoor soccer and hockey, volleyball, and special events. This new space is the premier place for community functions, youth and adult sports, youth summer camp and recreational opportunities for the entire community.

## **Youth Adventure Center**

This state-of-the-art center consists of interactive youth equipment, game stations, game room, inflatables, playland, and nursery. This new center is the most comprehensive youth adventure site in Pennsylvania.

## **Health & Wellness Center**

The new Tamaqua YMCA has a comprehensive health and wellness center equipped with cardiovascular equipment, weight training circuit, and specialized equipment necessary to serve young children through senior citizens.
