

Tri Valley YMCA

A Branch of the YMCA of Reading & Berks County

YSWIM TEAM™

We build strong kids, strong families, strong communities.

SWIMMING ACADEMY – SPRING CLINIC

Practice May 4 – June 4, 2010

Get a head start on the competition. Tri Valley Swimming Academy may be a new name, but it's still the same strong program! This clinic will prepare you for the upcoming summer season. Our coaching staff will design practices working on stroke mechanics, technique, and conditioning.

Practice levels, fees, and the registration form attached. The practice times are designed by ability. The YMCA reserves the right to change a swimmer's practice group to best serve the swimmers. Families will be billed for any adjustments that are made.

The fee payment and registration form for this clinic is due before the swimmer's first day of practice. Any swimmer who has not registered prior to practice will not be allowed to begin the clinic until their fee is paid.

If you have any questions or would like more information please contact Brett A. Mayer, Branch Executive Director, at 610.944.6515 or BMayer@ymca-berkscounty.org.
