My Teaching Experience...

I have been in the teaching field for about 10 years. I graduated from Kutztown University in 2012 with an Elementary Education degree with a concentration in Early Childhood. In my time teaching, I've had the opportunity to teach elementary students, Pre-K students, and I even served as an Instructional Aide at Conrad Weiser School District, where I taught small groups of children in grades K-4 who struggled with reading and math. I've been teaching Pre-K Counts at the Reading YMCA since Spring 2019 and I'm so excited to return to teaching my favorite age group!

Why I Love Teaching...

For as long as I can remember I have always wanted to be a teacher. I've always loved school and learning. I have had many amazing teachers growing up who have inspired my passion for teaching today! I love teaching Pre-K because it is a child's first experience in school and I want to make it a positive one-- I want them to love coming to school! I also love watching them grow over the year. It's incredibly rewarding!

In My Spare Time...

Outside of work, I enjoy spending time with my family and friends. I got married in 2017 to my husband and we have a dog named Casper who we rescued from the ARL. He is 5 years old and is a Bichon mix. I enjoy reading in my spare time and LOVE going to the beach!! I also enjoy watching football and hockey. I am a huge Philadelphia Flyers fan!
